

# Devops Course Learning

Name: Muthuluru pruthvi raj

USN: 23BTRCL218

## Introduction to Devops

The image shows the landing page for the 'Introduction to DevOps' course by IBM. The page features the IBM logo at the top left, followed by the course title 'Introduction to DevOps'. Below the title, it states 'This course is part of multiple programs. Learn more' and lists the instructor as John Bofrano. A 'Go To Course' button is prominently displayed. The page also mentions it is sponsored by Jain Group of Institutions and that 139,799 people are already enrolled. A summary bar highlights key features: 6 modules, a 4.8-star rating from 5,100 reviews, a beginner level, a flexible schedule of approximately 9 hours, and a 98% learner satisfaction rate. Navigation tabs for 'About', 'Outcomes', 'Modules', 'Testimonials', 'Reviews', and 'Recommendations' are provided. The 'What you'll learn' section lists four key takeaways: understanding DevOps characteristics, the importance of CI/CD, essential DevOps concepts, and the organizational impact of DevOps.

**What you'll learn**

- ✓ The essential characteristics of DevOps including building a culture of shared responsibility, transparency, and embracing failure.
- ✓ The importance of Continuous Integration and Continuous Delivery, Infrastructure as Code, Test Driven Development, Behavior Driven Development.
- ✓ Essential DevOps concepts: software engineering practices, cloud native microservices, automated continuous deployments, and building resilient code.
- ✓ The organizational impact of DevOps, including breaking down silos, working in cross functional teams, and sharing responsibilities.

## Course Progress

The image shows a video player interface for the 'DevOps Adoption' video. The video title is 'January 2011 Etsy deploys ~25 min'. The video content shows a man speaking, with text overlays listing key points: 'Code committed by 76 people a total of 517 times', 'Requires trust, transparency, and discipline', and 'Teams working for a common goal'. The video player includes a progress bar, a 'Save note' button, and a sidebar menu with various video topics like 'Introduction to DevOps', 'DevOps Adoption', 'Definition of DevOps', etc.
